ENTITY INFORMATION

Legal name

The Invercargill City Charitable Trust Board (the Trust).

Type of entity and legal basis

The Trust is incorporated in New Zealand under the Charitable Trusts Act 1957. The Trust is a Council Controlled Organisation of the Invercargill City Council as defined in section 6 (1) of the Local Government Act 2002.

Charities Services registration number

CC32606

The Trust's purpose or mission

The primary objective of the Trust is to fund both capital and income for charitable purposes for the provision of public amenities, libraries, reading rooms, lectures and classes for instruction, as well as development of athletic sports, wholesome recreations, rewards for acts for courage and self sacrifice, for the general benefit of the people within the Invercargill district.

Structure of the Trust's operations, including governance arrangements

The Trust comprises a Board of five Trustees who oversee the governance of the Trust. The Trustee positions are held by the Mayor, Deputy Mayor, Chief Executive of the Invercargill City Council and two Councillors. Day-to-day operations of the Trust and reporting to the Board is administered by staff provided by Invercargill City Council.

Trustees as at 30 December 2022

Mayor N Clark (ICC Mayor)	<i>appointed November 2022</i>
Tom Campbell (ICC Deputy Mayor)	<i>appointed October 2022</i>
M E Day (ICC CEO)	<i>appointed March 2023</i>
L Soper (ICC Councillor)	<i>appointed April 2022</i>
B Stewart (ICC Councillor)	<i>appointed December 2022</i>

Main sources of the Trust's cash and resources

Operating grants and donations received from Invercargill City Council and other community funders are the primary sources of funding for the Trust.

Outputs

The main outputs of the Trust relate to passing on any funding obtained and costs relating to the ownership and maintenance of Rugby Park Stadium.

COMMENTARY

For the six months ended 31 December 2023

Year to date

Revenue:

Total revenue for the six months to 31 December is \$23,999, \$4.5k higher compared to prior year revenue of \$19,497. In the current period grants from ILT for the Xmas in the Park event are slightly higher than last year, \$15,332 (2023), \$13,066 (2022). The interest revenue - bank is \$2,235 higher in 2023, \$8,667 (2023) compared to \$6,432 (2022) last year.

Expenditure:

Total expenditure for the six months to 31 December is slightly higher than last year due to increased rates expense this year. Depreciation expense of \$468,223 is the same level as last year.

For the six months ending 31 December 2023, there is a deficit of \$449k, \$453k in the prior period.

Full year projection

Revenue:

Total revenue for the year ended 30 June 2024 is forecast to be \$65k. Of this, we have received \$23,999 as at 31 December 2023. The remaining \$41k is expected to be made up of recovery of audit fees, interest and grants yet to be received for Christmas in the Park.

Expenditure:

Total expenditure for the year ended 30 June 2024 is forecast to be \$1.043m. Of this, \$473k of expenses have been paid or accrued as at 31 December 2023. The remaining \$570k of expenses is expected to be made up of:

- A further \$33.5k expenses relating to Christmas in the park
- A further \$4.8k rates expense
- A further \$36k of rental payments to Rugby Southland
- A further \$23k of Audit fees payments to Audit NZ
- A further \$473k of depreciation expenditure relating to Rugby Park Stadium. This Expense is subject to change due to the Stadium being revalued this year.

For the year to 30 June 2024, a projected net deficit of \$978k is forecast.

THE INVERCARGILL CITY CHARITABLE TRUST BOARD

STATEMENT OF ACCOUNTING POLICIES

For the six months ended 31 December 2023

ACCOUNTING POLICIES APPLIED

GENERAL INFORMATION

The financial statements presented here are for the Invercargill City Charitable Trust Board ("the Trust"), which is a Trust incorporated and domiciled in New Zealand on 16 October 1984.

The financial statements of the Trust are for the 6 months ending 31 December 2023.

BASIS OF PREPARATION

The Board has elected to apply PBE SFR-A (PS) Public Benefit Entity Simple Format Reporting - Accrual (Public Sector) on the basis that the Trust does not have public accountability (as defined) and has total annual expenses of less than \$2 million.

All transactions in the financial statements are reported using the accrual basis of accounting.

The financial statements are prepared on the assumption that the Trust will continue to operate in the foreseeable future.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

The Board of Trustees do not have the power to amend the financial statements once they have been issued.

SIGNIFICANT ACCOUNTING POLICIES

SUBSIDIES AND GRANTS REVENUE

Subsidies and grants are recognised as revenue when the funding is received unless there is an obligation to return the funds if conditions of the grant are not met ("use or return condition"). If there is such an obligation, the subsidy or grant is initially recorded as a liability and recognised as revenue when conditions of the grant are satisfied.

When grants are receivable as compensation for expenses already incurred, these are recognised as income in the period in which they are receivable.

EXPENDITURE

All expenditure is recognised in the Statement of Financial Performance in the period in which it is incurred.

GRANTS PAID

Non-discretionary grants are those grants that are awarded if the grant application meets the specified criteria and are recognised as expenditure when an application that meets the specified criteria for the grant has been received.

Discretionary grants are those grants where the Trust has no obligation to award on receipt of the grant application and are recognised as expenditure when a successful applicant has been notified of the Trust's decision.

BANK ACCOUNTS AND CASH

Bank accounts and cash comprise cash on hand, cheque or savings accounts, deposits held at call with banks, and other short-term highly liquid investments with original maturities of less than three months.

THE INVERCARGILL CITY CHARITABLE TRUST BOARD

STATEMENT OF ACCOUNTING POLICIES

For the six months ended 31 December 2023

PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are measured at fair value, less accumulated depreciation and impairment losses.

Additions

The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits or service potential associated with the item will flow to the Trust and the cost of the item can be measured reliably.

Subsequent Costs

Costs incurred subsequent to initial acquisition are capitalised only when it is probable that future economic benefits or service potential associated with the item will flow to the Trust and the cost of the item can be measured reliably.

Disposals

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount of the asset. Gains and losses on disposals are included in the Statement of Financial Performance. When revalued assets are sold, the amounts included in asset revaluation reserves in respect of those assets are transferred to accumulated funds.

Revaluation

Property, plant and equipment are revalued with sufficient regularity (at least every three years) to ensure that the carrying amount does not differ materially from the fair value.

Revaluation movements are accounted for on an asset class basis.

The net revaluation results are credited or debited to other comprehensive revenue, and are accumulated to an asset revaluation reserve in equity. Where this would result in a debit balance in the asset revaluation reserve, this balance is not recognised in other comprehensive revenue, but is instead recognised in the surplus or deficit. Any subsequent increase on revaluation that reverses a previous decrease in value is recognised in the surplus or deficit up to the amount previously expensed, and then recognised in other comprehensive revenue.

Depreciation

Depreciation is provided on a straight-line basis on all property, plant and equipment other than land, at rates that will write off the cost (or valuation) of the assets to their estimated residual values over their useful lives.

Building depreciation rates range from SL 3-15%

Property improvement depreciation rates range from SL 2-23%

BORROWINGS

Borrowings are initially recognised at their fair value. After initial recognition, all borrowings are measured at amortised cost using the effective interest method.

GOODS AND SERVICES TAX

The Trust is registered for GST. All amounts in the financial statements are recorded exclusive of GST, except for debtors and creditors, which are stated inclusive of GST.

TAXATION

The Trust is a charitable organisation registered with Charities Services and is therefore exempt from taxation.

CHANGES IN ACCOUNTING POLICIES

There have been no changes in accounting policies during the reporting period.

TIER 2 PBE ACCOUNTING STANDARDS APPLIED

The Trust has elected to apply PBE IPSAS 17 Property, Plant and Equipment in measuring the fair value of Rugby Park Stadium, and has completed an impairment assessment in accordance with the standard, PBE IPSAS 26 - Impairment of Cash Generating Assets.

THE INVERCARGILL CITY CHARITABLE TRUST BOARD

NOTES TO THE FINANCIAL STATEMENTS

For the six months ended 31 December 2023

8 Property, plant & equipment continued

Management has undertaken a fair value assessment of asset values at 30 June 2023. Management considered that the current book value of all assets was reflective of fair value except buildings. An indexation of building asset class has been completed at 30 June 2023. The Property, plant and equipment was previously valued by Quotable Value Ltd at 30 June 2022 as \$14,040,400 with fair value being determined on the basis of depreciated replacement cost.

The 2022 valuation of property, plant and equipment was performed by an independent registered valuer, A Ronald of QV Asset & Advisory. The Trust has elected to apply PBE IPSAS 17 Property, Plant and Equipment in measuring the value of Rugby Park Stadium.

Land

Land is valued at fair value using market-based evidence based on its highest and best use with reference to comparable land values.

Buildings

The replacement costs of the specific assets are adjusted where appropriate for optimisation due to over-design or surplus capacity. Optimisation is 75% due to the overcapacity of the current stadium.

Media box is no longer earthquake prone due to the remedial works done this year. The Main and West Stand remains earthquake-prone buildings. In addition, the west stand suffers from weather tightness issues. The weather tightness issues have been highlighted in recent building condition reports undertaken for the Council.

The remaining useful life of assets is estimated after considering factors such as the condition of the asset, future maintenance and replacement plans, and experience with similar buildings. The useful life of the stadium is 65 years. QV used adjusted adopted lives of the components to reflect the impact of the structural issues with the main stand and the media tower. As structures near the end of their theoretical lives, minimum residual lives are adopted to reflect the remaining base value still existing prior to any renovation or upgrading. The economic lives have been reduced of the component parts of the affected building rather than adjusted the effective year built.

9 Related Parties

Invercargill City pays a grant to Invercargill City Charitable Trust to offset the cost of the audit fees incurred.

The Council also funds all the operational maintenance of the Rugby Park which includes accounting services, ground maintenance, seismic assessments and minor building repairs at no charge to the Trust.

10 Contingencies

There are no known contingent liabilities (or assets) at 31 December 2023 (2022: nil).

11 Commitments

ICCT have an obligation to provide office space for Rugby Southland Incorporated under an existing lease agreement. ICCT have subsequently agreed to cover a three year lease between Rugby Southland and the owner of alternative premises to the value of \$107,100 excl of GST over three years (\$35,700 excl GST per annum) which started 1 July 2021. As at 31 December 2023 ICCT have paid two instalments of \$35,700 of the new alternative premises lease (2023: \$35,700) and (2022: \$35,700) for rental of alternate offices at 120A Leet Street Invercargill.

12 Events after balance sheet date

There are no events after balance date.
