GROUPS

LP = Learners Pool

MP = Main Pool

Tio Para/Oysters (LP)

For children semi-confident in the water learning to blow bubbles from mouth and nose and submerging while doing so. Parents are not required in the water. (Min of 2/max of 4).

Weke/Squid (LP)

Confident children that can go underwater easily and learn how to float on front and back unassisted. Also where they learn safe entry and the survival skills such as banana rolls. (Min of 2/max of 4).

Kōura/Crayfish (LP)

Children that are confidently floating on front and back begin to learn how to kick strong and with good technique - not lots of splashing. Learn how to do front crawl and backstroke. Begin to teach how to do a really big underwater push-off from the wall. (Min of 3/max of 5).

Hoiho/Yellow-eyed Penguins (LP)

This is where children get stronger, using their arms for front crawl and backstroke and adding breathing into the stroke. Begin to teach sitting dives and introduce breaststroke kick. (Min of 3/max of 6).

Kekeno/Seals (MP)

The first group that is in the main pool for the whole term. This is where each child gets used to different water pressures through fun activities, along with technique correction, learning how to do breaststroke arms, and the safety aspect of treading water. 30 min class. (Min of 3/max of 8).

Whakahao/Sea Lions (MP)

Technique correction continues to happen. Begin to learn standing dives and learn how to do tumble turns. 30min class. (Min of 3/max of 8).

Ahoaho/Dolphins (MP)

Butterfly arms and racing starts are introduced, along with working towards achieving higher distance goals. Lifejacket safety on the last lesson of term. 45min class. (Min of 3/max of 9).

Mango/Sharks (MP)

Where speed begins to come in. This is starting to become ready to move into club level. 45min class. (Min of 3/max of 10).

Private lessons

Private lessons can be for 20 or 30 minutes for five lessons.

Boating class

For any confident swimmer seals level or above. This will be run in the deep part of the shallow end of the main pool. (min of 3/max of 10).
