## **APPLICATION FOR BUSKERS & STREET PERFORMERS**

**Please Note:** The following conditions are to be followed:

- All sites must be safe for pedestrians and people with disabilities during the placement/removal of equipment during the performance.
- Any damage to footpaths, vehicle crossings, trees, road frontage, and street furniture must be immediately reported to the Road Corridor Manager.
- Street Performers cannot operate when activities or events are being held within the neighbouring properties or road reserve without the permission of the adjacent neighbouring business or property owners.
- The Applicant must ensure that the area used is kept clean and tidy before, during, and after a performance.
- Loudspeakers or amplifiers require special permission, strict conditions may apply in accordance with Section 326 of the Resource Management Act 1991/Noise Control Policy.
- Performances may take place on any day between 7am and 9pm which may be extended during organised events
- Performers are limited to a maximum total of 90 minutes, per location, per day. This includes performance, setup, and removal.
- If you are performing directly outside a retailer and you are breaking the code of conduct, you must move on if the retailer requests you to do so.

**FAILURE TO COMPLY WITH ALL THE CONDITIONS WILL RENDER THE PERMIT INVALID**
